Glas Water announces the renewal of Bly Dry Bar's contract.

Blo is located in Vancouver and Ontario, and has been getting rave reviews since day one. The concept is catwalk quality hair, around $30, and about 30 minutes. No scissors, no colouring, just wash, blow, and go. The philosophy is that everyone deserves the affordable luxury of flawless hair, 7 days a week. They understand that your time is important, so on average blow dry styles take about 30 minutes, with no reservations necessary.

Glas Water will be providing Blow with an 8oz plastic bottle with spring water. The custom label advertises their website, and it's hot pink colour, along with their slogan of 'You're not cheating on your hairdresser' is sure to stand out. The water is produced on demand, and shipped to various Ontario and British Columbia locations, where it is used as a giveaway product for clients.
