They are an exclusive downtown waterfront property offering luxury condominium styled penthouses and suites overlooking Victoria's inner harbour. The choice location allows you to easily explore downtown Victoria's shops, theatres, museums and galleries.

Glas Water will again provide 500mL smooth plastic bottles of BC glacial fed water to the Victoria Regent Hotel. Each order is produced on-demand, and shipped directly to the Hotel. The private label showcases a view from their property, and is finished with a white cap.
