Glas Water is pleased to announce that we are now serving Blo Dry Bar’s California location.

The newest Blo location is about to open in San Francisco, California. Blo thinks you deserve the affordable luxury of flawless hair, 7 days a week. With their hair menu, women can choose from 8 distinctive styles, ranging from catwalk quality classic looks to the sleep chic of a perfect pony. On average, blow dry styles take about 30-minutes, and reservations aren’t necessary.

Glas Water will be providing this new location with the same 8oz private label package that the Canadian locations are currently receiving. The San Francisco location will be receiving pallet quantities on demand, and will feature purified water and the same label as Canadian stores.
