Glas Water now provides bottled water for Evan J Strong Funeral Services.

Evan J Strong Funeral Services is an independent, locally owned funeral home facility in Calgary, Alberta. Their bright and modern facilities include a private visitation room and a chapel which easily converts into a welcoming reception area for refreshments after the service or visitation. They also have an onsite crematorium.

Glas Water will provide premium BC glacier water in a 100% rPET bottle, featuring a 2-sided label. This label shows off the company's brand from both sides, and the water is only produced on-demand.

About Glas Water Sales & Distribution

Located in Vancouver, British Columbia, Glas Water is owned and operated by Zion Group Ventures (Canada) Inc. a wholly owned subsidiary of Zion Group International. With a decade of experience in the water industry, focused on water filtration and private label markets, we have established a North American distribution network that allows us to service customers throughout the continent with our personalized bottled water. The Glas Water team all agrees to abide by and uphold biblical principles in dealing with both each other and our customers. We pride ourselves in our integrity, ethics, and exceptional customer service.
